Frankfurt, oh, Frankfurt

A Song from Frankfurt, about Frankfurt and for Frankfurt

Lyrics & Music: Mad Horse

Talking introduction: First mentioned in 794 AD, Frankfurt has a long, exciting history. And so it has many names. Francoforte in Italian, 法兰克福 in Chinese, Jerusalem of the West and פרי-מקום "bear-mokem" or fruit-place in Yiddish. The official name: Frankfurt am Main. This is a song about Frankfurt dedicated to her people. That's us.
